

Directions: The monster poem highlights the aspect of using repetition in poetry. Repeating the same phrase gives your poem a rhythm when spoken aloud. As you fill in the different features of your monster, make sure each line contains an adjective (descriptive word). When your poem is finished, there should be three separate stanzas.

### My Monster

My monster has a body like \_\_\_\_\_

My monster has eyes like \_\_\_\_\_

My monster has a nose like \_\_\_\_\_
